

Announcement

To participate in strengthening the inspection and management of boiler at factories/enterprises in an effective and professional manner to ensure a high level of safety, the Garment Manufacturers Association in Cambodia (GMAC) in cooperation with the Ministry of Industry and Handicraft and the Ministry of Labour and Vocational Training will organize a Dissemination Workshop on Safety and Management of Boiler for its members on three different occasions and locations as follows:

1. 15 November 2017 from 8:30 am to 12:00 noon at GMAC with representatives of factories/enterprises and those who are in charge of boiler from Phnom Penh, Kandal, Kampong Speu, Kampong Chhnang, Takeo and Kampong Cham province.
2. 30 November 2017 from 8:30 am to 12:00 noon (venue to be confirmed later) with representatives of factories/enterprises and those who are in charge of boiler in Preah Sihanouk province.
3. 15 December 2017 from 8:30 am to 12:00 noon (venue to be confirmed later) with representatives of factories/enterprises and those who are in charge of boiler in Bavet town, Svay Rieng province.

Phnom Penh, 13 November 2017

Note:
